Data Science and Leadership Training

Diversity and Inclusion

Are you interested in building a more diverse and inclusive workplace? Our Diversity and Inclusion training course provides a comprehensive program to help you understand and implement strategies for promoting DEI in your organization. You'll learn about the dimensions of diversity and how to break down social biases, as well as communication strategies and inclusive leadership techniques. The course also covers how to prioritize DEI in the workplace, and how to create a culture of respect and belonging. With this training, you'll be equipped with the knowledge and tools to help build a more equitable and diverse workplace, while promoting understanding, respect, and inclusion.

About Our Trainer

Dr. Linda L. Singh is a highly decorated retired Major General of the United States Army who shattered barriers and became the first African American and first woman to serve as Adjutant General for the Maryland National Guard. A dynamic and inspiring speaker, Linda draws upon her unique experiences to share powerful lessons in leadership, teamwork, and resilience. She is a sought-after speaker who has addressed audiences at the United Nations, NATO, and the Pentagon, as well as numerous corporations, non-profits, and educational institutions.
