Data Science and Leadership Training

Leadership Styles

In this course, we will be exploring the topic of leadership styles and why they are important for effective leadership. We will delve into the different types of leadership styles, their characteristics, and how they can be matched to the competence of the individual or the situation at hand. Through interactive discussions and activities, you will have the opportunity to identify your own leadership style and learn how to adapt it to various situations.

By the end of the course, you will have a better understanding of leadership styles, their importance in leadership effectiveness, and how to match them to the competence of individuals or situations.

About Our Trainer

Phillip Panzarella is a proven positive leader, executive coach, team builder, entrepreneur, and trusted partner with extensive experience in achieving extraordinary results. He assists individuals, teams, and organizations through Executive Coaching, Mentorship, and Business Consulting. Throughout his extensive career as a business leader and entrepreneur, Phil held a number of leadership positions (C-Suite) in both for-profit and non-profit organizations where he assisted organizations in achieving their business goals.
