A **DIFFERENT** and better experience from the start.

We get it. Changing health plans can be daunting. That's why we guide you through each step of joining Kaiser Permanente, so you can start getting the care you need in no time.

Ready to get started? Visit kp.org/newmember.

Choose a doctor who's right for you

Our online doctor profiles let you browse the many excellent doctors and convenient locations in your area, even before you enroll. So you can join knowing you've found a doctor who fits your needs. You're also free to change at any time, for any reason.

Transition your care seamlessly

Easily move prescriptions and find a location that's close to your home, work, or school. Many services are often under one roof, making it easy to see your doctor, get a lab test, and pick up prescriptions – all in one trip.

Get care on your schedule

Need to schedule an appointment? Have a nonurgent question you'd like to email to your doctor? Want your prescription refill mailed to your home? After you enroll, register for an online account at kp.org or get our mobile app and find out just how easy DIFFERENT can be.

Want to talk?
We're here to help.

You don't have to choose a health plan alone. A Kaiser Permanente enrollment specialist can answer your questions – like where to get care or what extra perks are included. Call **1-888-865-5813** (TTY 711), Monday through Friday, 7 a.m. to 7 p.m.

Quality care with you at the center. That's **DIFFERENT.**

As your biggest health advocate, your doctor - not some faceless administrator – should coordinate your care journey. You'll work closely together to make decisions about your health.

Great care from great doctors

Our doctors come from top medical schools, and many of them teach at world-renowned universities. No matter which personal doctor you choose, you'll be in highly skilled, experienced hands – and your health is their main concern.

As your biggest health advocate, your doctor will coordinate your care journey, and you'll work closely together to make decisions about your health.

Better care with a connected team

We pioneered one of the largest and most comprehensive electronic medical record systems in the world for a reason. So your doctor, nurses, and other specialists are connected to each other, and to you, through your real-time electronic health record - not bits and pieces of disconnected medical data painfully tracked and gathered by...you.

Personalized care for all members

Care at Kaiser Permanente isn't one-size-fits-all. We believe your story, background, and values are as important as your health history. To help deliver care that's sensitive to your culture, ethnicity, and lifestyle, we:

- Strive to hire doctors and staff who speak more than one language
- Offer telephone interpretation services in more than 150 languages
- Train our care teams on how to connect with and care for people of diverse backgrounds
- Have improved health outcomes among diverse populations for conditions, such as high blood pressure, diabetes, and colon cancer¹

Now that's
DIFFERENT

You and your doctor get the final say on your treatment plan. Not some administrator behind a desk.

DIFFERENT approach. Better results.

Our world-class board-certified doctors have chosen Kaiser Permanente because they know our model works.

Preventive care to keep you healthy

Preventive care is key to how we practice medicine. It can help you avoid some health issues and catch others before they become serious.

Your electronic health record plays a vital role. It tracks your preventive care services and sends reminders when you're due for your next screening. We'll let you know when to come in, so you're free to focus on living your life.

Specialty care when you need it

We're also here for you if you get sick or need specialty care. With one of the largest multispecialty medical groups in the country, we can conveniently connect you with the right specialist. And you don't need referrals for certain specialties, like obstetrics-gynecology, psychiatry, and drug dependency services.

From high-quality maternity care to treatment for cancer, heart problems, and more, you get great doctors, the latest technology, and evidence-based care – all combined to help you recover quickly.

Support for ongoing conditions

If you have a condition like diabetes or heart disease, you're automatically enrolled in a disease management program for personal coaching and support. With a well-rounded approach backed by proven best practices and advanced technology, we'll help you get the care you need to continue living life to the fullest.

A leader in clinical quality

In 2019, Kaiser Permanente led the nation as the top performer in 26 effectiveness-of-care measures – the most of any health plan.² These measures include:

- Prevention and screening
- Cardiovascular care
- Comprehensive diabetes care
- Mental health
- Maternity care

Pharmacy by mail. No extra cost.

A **DIFFERENT** way to do pharmacy.

Our award-winning pharmacy system is the very heart of our 'under one roof' care experience. In most of our 26 medical offices, you can pick up your prescription or consult a Kaiser Permanente pharmacist on your way out the door. No more traffic. No more stops.

Getting started

Whether you're transitioning from another provider or simply starting out fresh, it's easier than you think to get started at Kaiser Permanente.

Step 1 - Make the call

Once you get your Kaiser Permanente ID Card, call the dedicated New Member Desk number indicated on the sticker. If you can't find your sticker, no problem. You can always call **404-365-0966**. Either way, we'll help schedule your first office visit with your new Kaiser Permanente doctor. If you need medication to last until then, we can usually help with that, too. After scheduling your doctor visit, we'll also arrange for a pharmacy telephone consult (before you run out of your current medications).

Step 2 - Visit your doctor

At your visit, we'll help make sure you have a medication plan that's right for you and available at your copay.

Step 3 - Fill your prescription

You can get your prescription filled at any one of the pharmacies located in our many Kaiser Permanente medical offices.

Getting Refills

You have three easy options for getting refills:

- Order online at **kp.org/rxrefill**.
- Order from your mobile device by visiting **m.kp.org** or through the Kaiser Permanente app (download for free from your preferred app site).
- Call our 24-hour refill line at **770-434-2008**.

You can even skip the trip! Most refills can be mailed directly to your home in about three business days. You'll usually receive them within three to five business days, and can save a copay on a 90-day supply.

Questions

If you have questions or would like a copy of our preferred drug list, call us directly at **404-261-2590** or visit **kp.org/formulary**.

We offer same-day, next-day, after-hours, and weekend services at many of our locations, along with ob-gyn, pediatrics, and other specialty departments.⁷ You can also see different doctors at different locations – whatever works best for you.

Finding the right location

Choosing a convenient place to get care is simple – just hop online or grab your smartphone.

- Visit kp.org/facilities to search by ZIP code, keyword, or the type of service you need.
